DEVELOPMENT STATUS

Task ID	Task Description	Status	Completed Date	Challenges Faced	Lessons Learned
#86cwvuttk	Admin-Dashboard-FR6	Done		Faced challenges with maintaining data consistency and ensuring the dashboard remained responsive across devices.	Experience in data handling and improved skills in responsive design to ensure that dashboards are user-friendly on multiple screen sizes.
#86cwvut1w	Student- Profile View- F7	Done		UI/UX design was challenging due to the need to balance detailed information display with a clean interface.	Enhanced understanding of minimalistic design to present detailed data in a clear and concise way.
#86cwvupnx	Admin Login – FR8	Done		Had to resolve conflicts in login authentication and dashboard redirection based on admin privileges.	Better understanding of debugging redirection issues in the login flow.
#86cwvv901	Student Routes-FR9	Done		Debugging took extra time due to dependencies on other routes.	Improved the backend skills in modular testing and debugging within complex routing systems.
